Inter-Ward Challenge Quiz

Wednesday 15 September 2010 at 6.00pm

At the Bishopgate Institute

Bridge Ward would like to enter a team, or perhaps two! To make a team we need six members. The questions will be set by Professor Michael Mainelli. And the Adjudicator will be Robert Woodthorpe-Brown. We are told the questions will vary widely and although some will relate to the City of London, others will be far more general.

The cost per person whether team member or supporter, will be £15.00 per person which will include supper and wine.

We are told last year was great fun for all those present. If you wish to take part or just support the team, please contact me. Please note I will be away until Friday 25 June 2010
