THE UNITED WARDS' CLUB OF THE CITY OF LONDON

The mediæval City

A walk via Zoom at 5:-00 pm on Tuesday 10 November 2020

Come for a virtual wander through the City streets looking back at a vibrant, colourful mediæval London - site of glamorous jousts, royal processions, massive monasteries and beautiful churches, but also of a population crowded into a square mile with the constant threat of plague. We'll see a castle, the site of the first London zoo, London's oldest livestock market and a 12th century fair suppressed by the City authorities for encouraging disorder and debauchery!

Our guide is Gina Mullett, a City guide and Take Walks Guide of the Year 2019. Her walk will last about 45 minutes and there will time afterwards for questions.

There is a small charge for this talk of £10 per person.
